what you need to know

Allow Us to Introduce Ourselves...

For those of you who already know us, Hello! And for those of you who are new to the UMe family, Welcome! We are not your average credit union, and we think that is a great thing. Let's start with our name. You + Me is what we are all about. We care about the things that matter to you. As a Burbank institution, we've been committed to helping our community since 1940. Through our long history, we've learned that there's no limit to what we can accomplish together. We want to help you through your first car, first home, and even your first puppy (we are **very** dog friendly). We know life after High School can be a little nutty, and we want to help. How does a \$2,500 scholarship sound? Here at UMe, we are all about our community, and we want to support the students in our community who will go on to do great things in the world. (That's you!)

The Award

Each school year, UMe will award two (2) \$2,500 scholarships to select students from Burbank high schools. Students must be pursuing a college education and applicants must be in their senior year of a high school located in Burbank, California, and meet all the eligibility requirements below. We will announce scholarship recipients in May.

Scholarship Eligibility

In order to be eligible for a 2019 UMe Scholarship, we require that you:

- ▶ earn a minimum overall G.P.A. of 3.0. *(Copy of current transcript required.)*
- ▶ must have a UMe account (checking or savings) in your name and it must be open for at least 3 months before the submission date, April 15, 2019.
- ▶ must be a senior enrolled in a high school located in Burbank, California.
- ▶ must be accepted for admission to a recognized junior college, accredited college or university, public or private, offering academic, or vocational courses leading to a secondary education. *(Copy of acceptance letter required.)*
- ▶ must complete all requirements of the UMe Scholarship Application.

NOTE: Students who already have a full-scholarship are not eligible for this scholarship. Additionally, any UMe employee, Board Member, or their families are also not eligible.

How we will choose our winners...

To start off, class rank, SAT/ACT scores and financial need is not a criterion for this award. Applications will be judged and chosen by a group of UMe's Management Team. All decisions are final. The UMe Scholarship Program cannot provide any information on the status of the applications.

Important Dates

- ▶ April 15, 2019: All completed scholarship applications must be submitted. *(Late submissions will not be accepted.)*
- ▶ May, 2019: Winners of the UMe Scholarship Program will be announced.
- ▶ June 28, 2019: UMe's 79th Anniversary. Not directly related to the scholarship — but, we wanted to keep you in the loop, so you can stop by and have some free lunch. We're nice like that! :)

what you need to do

Personal Essay: Let's get to know you! Write a short essay (250 words or less) stating what career you want to pursue and why. What have you done (and what are you doing) to contribute to your future success in meeting this goal? Essay must be typed in a legible font and should be no more than one page in length.

Here is how the personal essays will be judged:

- ▶ **Content:** The essay answers questions (asked in the prompt above) in a clear and focused manner. It holds the reader's attention throughout the entire read.
- ▶ **Organization:** The essay is organized in a way that enhances and centralizes the main idea.
- ▶ **Conventions:** Good grammar, correct spelling, and great sentence structure is shown throughout the essay, making it easy and enjoyable to read.
- ▶ **Fun & Unique Tone:** This essay is personal, which means it should be unique to YOU. (*We love uniqueness!*) We want this essay to feel fun and loose (but not sloppy) and we want to feel like we know you and your personality by the very end.

Letters of Recommendation: Letters of recommendation are a great way to gain insight on the effect you have had with leaders in the community, teachers, employers and coaches.

Notes For Your Recommendation Writer: The recommendation letter should address the applicant's character, what you believe are his/her greatest attributes, specific accomplishments, examples of leadership, and why you feel this student deserves a UMe Scholarship Award. Please specify in which class, organization, or team you have experience with the applicant - and the year, and include your contact information, in case we need to reach out to you. Please limit your letter to 1 page typed.

Student Activity Sheets: Attached in the UMe Scholarship Program forms are the Student Activity Sheets. There, you will find sections to enter your community & volunteer involvement, employment, extra curricular activities, and recognition. If you need more room, feel free to print out multiple Student Activity Sheets.

Once You Have Completed Everything: Bust out into a happy dance! Then, make sure you get your application in to us, here at UMe, by the submission deadline. Please include all forms in a folder of some kind, rather than stapling everything together. Here is a little check list for you, in order to make sure you're not missing anything:
